Dear Jim:

I am formally requesting you to accept my resignation effective December 30, 2016. My working with you, the LGCA team, GCESC and INFOhio over the last ten years has been enjoyable and very educational. My hope is that I've been assistance to the districts and teachers, thus fostering student learning, over my years. My services are available to help with anything that will promote teachers' and students' learning. It is with regret I resign, but my husband's health has prompted this.

Warmest regards,

A handwritten signature in cursive script that reads "Barbara Reynolds". The ink is dark and the signature is fluid and legible.
