

Dear Prospective Home Schooling Parent:

You have expressed an interest in home educating your child for the 2016 - 2017 school year. You will need to complete a Home Schooling Education Notification form. I have enclosed an optional form or you can use the optional form found on our web site or use the form supplied by the state. Be sure to include items 7a: the brief outline of intended curriculum, and 7b: list of textbooks and other resource material with your completed form. If you are mailing your form sending it to the superintendent's office of your local school district will delay it getting to me.

You will need to include a copy of your academic assessment for the 2015-2016 year with your materials for the 2016-2017 year. On the web site you can find a copy of the law regarding the academic assessment required.

Once you receive your Long Term Excuse from Public School Attendance Form from our office you may withdraw your child/children from the public schools.

If you terminate home education prior to the end of the school year, you will need to do an academic assessment for the time you home schooled.

If you have any questions please feel free to contact me.
