

7/23/18

Dear ACHIEVE Families,

Although it seems as though summer has just begun, soon it will be time for the start of the 2018/2019 school year. For those of you who are new to the Geauga Achieve program, welcome! I am so pleased to have your child and family with us this year.

All initial forms and paperwork needed for your child can be found on the Geauga Achieve website <http://www.geaugaesc.org/GeaguaACHIEVE.aspx>. Please send the completed paperwork with your child on the first day of school. If you have questions regarding the forms, contact me via phone (440) 754-0095 or email robin.ludwig@geaugaesc.org for assistance. Additional paperwork may come home with your child on the first day of school as well.

I am pleased to have many returning staff in Geauga ACHIEVE this year. In addition to the familiar faces, there are also a few new faces to welcome. Ms. Allison Lintern will be leading the team as teacher at Timmons Elementary School. Ms. Lintern has been a teacher with the Geauga County Educational Service Center for the last few years, and is making a shift to the ACHIEVE program. Mrs. Katelyn Natalie will be rejoining us in some of the classrooms as the Adaptive Physical Education instructor. It is great to be welcoming her back!

Each family should be contacted by their teacher prior to the start of the school year to arrange a time to come in and see the classroom and meet the teacher. Refer to the district website (Kenston, West Geauga, or Cardinal) for the student calendar for each building, and daily start and end times. For students participating in district provided transportation, you will be contacted by the transportation department prior to the start of the school year for the pick-up and drop off times of your child.

We have an incredible staff set up and ready to work with your child this year. I am thrilled to lead this amazing group of individuals and for the opportunity to impact the future of your child. Please contact me at any time with questions or concerns and we will continue this educational journey together. I am looking forward to seeing everyone again in the coming weeks!

Respectfully,

Robin Ludwig
Director, Geauga ACHIEVE
